Virtual Bingo

Setup:

1. Email card PDFs to players. Each PDF contains 4 cards, 1 per game.
2. Turn on "Phrases" select a voice.

Play:

1. As each ball is selected, the computer reads out loud the ball's slang phrase.
2. Every player checks their card and shouts "House" if they complete their card and win the game.
3. When a player wins a game, the card goes dead and everyone moves onto the next card.
